Cybersecurity Safety for the Workplace: Key Practices for Every Employee

In this session, you'll learn and be reminded of the essential practices to prevent cyberattacks and protect public data. Through real-life examples and practical tips, you'll learn how to identify threats, respond quickly, and keep critical systems safe. Join us to strengthen your role in defending our state against modern cybersecurity risks.

Note: when registering, click 'Company Single Sign-On' to sign in to your MOVERS Learn account.
